Subject: checking in on WA NSTEPS project - call scheduled for next week
Date: Thursday, January 18, 2018 10:32:00 AM

Hi All,

Just checking in on timeframe for WA analyses/report finalization – Mike, it is my understanding that you have some input from WA ECY on the report; for next week, can you provide a status update re remaining work for report draft finalization? Are you still waiting for some input?

Thanks so much,

Rochelle
